

R16 16 Station SCBA Face Piece, Helmet & Hood Dryer

Floor Standing, Wall mounted. Dry's 16 of any combination of SCBA face pieces, helmets or hoods. Masks are to be placed upside down so water runs away from breathing valve. Air is blown onto mask and webbing for complete drying. Air management has 2 setting; ambient and gently heated. In heated mode the temperature is raised by 10 degrees and will not exceed 105 degrees in compliance with NFPA 1851. Helps reduce orders. Optional available anti microbial powder coat finish to help control mold and bacteria. Operates on 110 volts & consumes 1250 watts. No special wiring required. Factory warranty of 5 years on the frame and 2 years on electrical components. Optional available 10 year non prorated extended warranty that can cover the entire dryer from 1st day of operation. Unit dimensions; 21"W x 17"D x 84"H.
